### Swedish retailing company looking for manufacturer of casted brass faucets

Ref: BRSE20131024001

#### Details

Title:	Swedish retailing company looking for manufacturer of casted brass faucets
POD Reference:	BRSE20131024001
Summary:	A Swedish retailing company is looking for a manufacturer of casted brass faucets. The request includes casting, polishing and nickel plating. Some pipe bending, pipe forming and turning is also required. Manufacturing from 3D-file is a requirement. The company is looking for manufacturers who are experienced in casting of complex bodies for manufacturing or subcontracting agreements. They should also be experienced in polishing and nickel plating.
Description:	<p>The company is a Swedish retailer looking for manufacturers of casted brass faucets. The request includes casting, polishing and nickel plating. Some pipe bending, pipe forming and turning is also required. Manufacturing from 3D-file is a requirement. The complexity of the casted body is fairly high.</p> <p>The faucet is a bench mounted kitchen faucet and is the first product in what is to be a whole series including bathroom sink faucet, bath tub faucet, shower faucet and wall mounted kitchen faucet. Initially the Swedish company wants to produce 100-200 kitchen faucets.</p>
Advantages and Innovations:	The Swedish client has a long experience in retailing products for home renovation and restoration, and has a well-established customer base. With their coming faucet products they aim to target new customers, for example wholesalers within plumbing and HVAC.
Technical Specification or Expertise Sought:	<p>Faucet specifications:</p> <p>The desired material is brass with maximum lead emission of 0,2%. Requirements of brass quality, maximum lead and cadmium emission and pressure are specified in EN200, must be followed. The faucet must be pressure tested to ensure that there is no water leakage through the hardware or through the sealants. Turning includes standard turning from drawing/3D-file and according to standard threads (ISO 724).</p>
Deadline Date:	1/13/2016 12:00:00 AM
