## General Information

### Short summary

The firm is a trading company mainly working in e-commerce and local retailing business (B2C) and is located in Austria. The searching company is looking for a producer of glass bottles and lids for pumpkin seed oil. The company is looking for a production company in Europe. The producing company should meet the following requirements: high quality producer, prototype before first order, fast implementation and delivery, long time partnership, on-site contact person.

### Full description

The Austrian trading company consists of a traditional, motivated and experienced team. They dispose of long-time experience in retail with different products and various companies. As innovative company with international expansion, proficiency in English, a professional and loyal staff, they are looking for a long-term business relationship. The products of the company are currently sold in Europe and worldwide.

#### Advantages and innovations

- many years of experience in retail
- established distribution system in Europe and overseas
- rapidly expanding company
- innovative and motivated team with a 30 year company tradition
- fluent english speaking
- long-term relationship

#### Technical specification or expertise sought

The company is looking for dark glass bottles that can be used for oil

The glass bottles should be available in different sizes for 1 liter, 500ml, 250 ml and 100ml.

The company is also looking for lids that fit on the glass bottles. As it will be used for oil, it is very important that the lids are coming with a pourer for oil.

#### Stage of development

**Already on the market**

IPR Status

#### Sustainable Development goals

• **Goal 12: Responsible Consumption and Production**

## Partner Sought

#### Expected role of the partner
